NOTE FOR: Deputy Director for Administration
Director of Communications

Attached for your review is a draft letter to Director, Defense Communications Agency, from the DDCI. Also attached is a note to the Executive Director and DDCI about the letter. [redacted] discussed this matter informally with BILL. They agreed that a full-time representative to help out with the Crisis Information and Management System implementation did not seem warranted now. If you concur with the wording, I will forward the letter to the DDCI for his signature.

NOTE FOR: DDCI
Executive Director

25X1 Attached is a letter for DDCI signature
responding to a request for a [redacted]
Office Representative from the Director, Defense
Communications Agency.

A representative from the Office of Communi-
cations is recommended as most National Program
Office activities relate directly to communications
systems issues.

It is not clear, at this time, that full-time
representation is either needed or asked for, so
designation of a point of contact is an appropriate
first step.

This has DDA and D/Commo concurrence.
